第5話

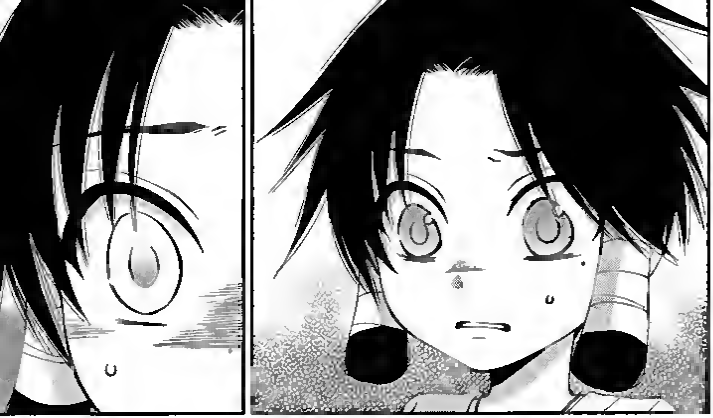
Pfft

Ah aha ha
Ahh hhha haha ha—
...Tch.
What is it this time?
Ohh, he clicked his tongue.
We should be the ones asking you that, Water God!
Water God also grew a compassionate heart at last, huh.

Even if I was insulted, I won't be affected
I mean, you healed that girl, didn't you?
Compassion?
You were insulted?...Huh?! Aahahaha!
Insul...
Pft~
Oh my
You're making fun of him too much. I pity him
Yes, clearly!
Did you hear that?
step
Don't you feel sorry for the boy who is outside but can't enter?
Moreover, we mustn't stay long.

He's repelled by our essence and cannot enter, huh.
Jeez, Wood God. Everything is pitiful to you.
We're going.
Oh... but it's true!
Are you going to bring her with you? That girl
Ohh, I know Let's come back when she wakes up.
I'm really curious about that girl since she insulted Water God
Hmph.

gasp
Asahi...!?
visit



Only a god can perform such a miracle.

The one who saved you again from suffering is also probably a god.

That your pretty hand returned to normal without a single scar,

and that you are sleeping painlessly now...

Should I... be grateful? Be pleased?

The one who saved you, who were submerged in the lake, was probably a god.

I thought I was able to bring her back with me.

I decided to protect her without letting go of her hand anymore,

and yet I wasn't able to protect her.

Everything is thanks to a god...

My wishes cannot be granted.

Asahi is still

the Water God's bride.

It's alright. We won't do anything.
Maybe because he's conscious?
Not here.

LET'S GO PLAY OUTSIDE!
ALRIGHT!
You're really loud.

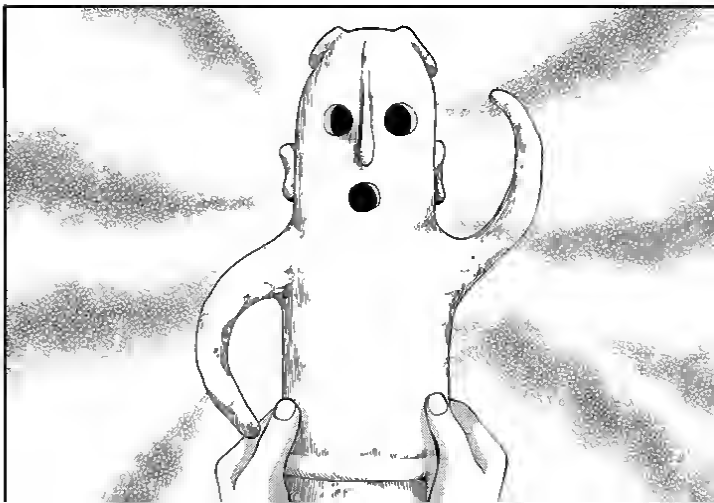
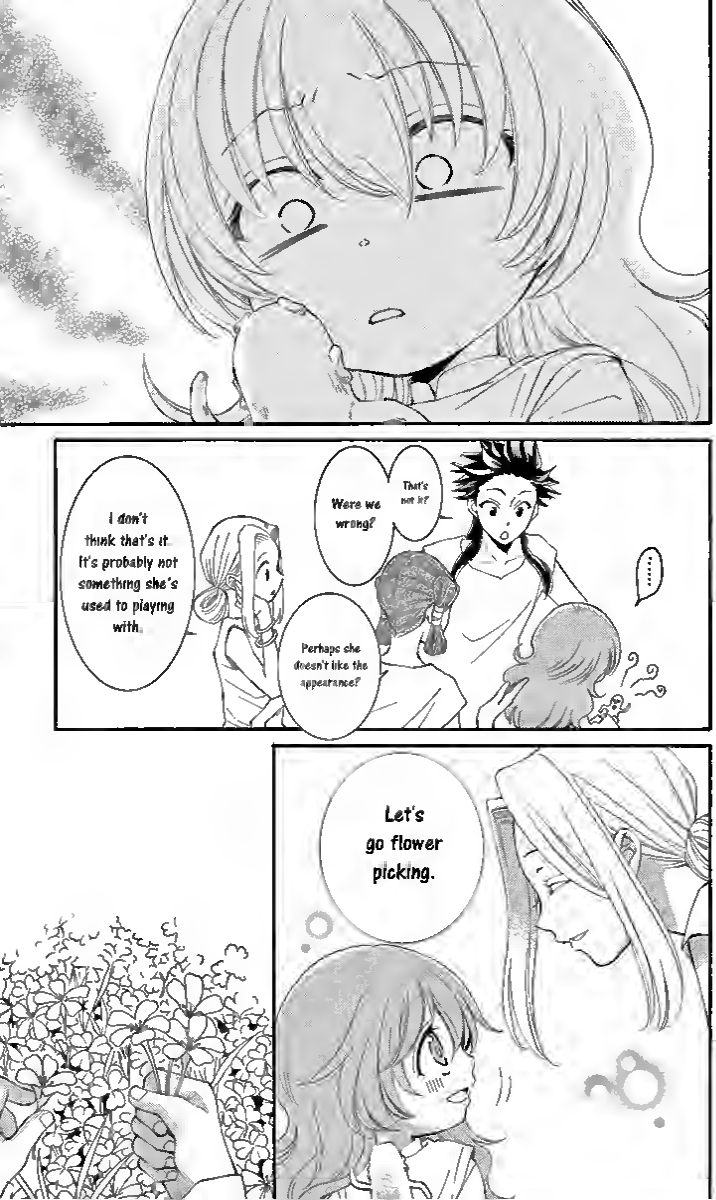
.....
What do you two usually do to play?
gasp

What is it?
What could it be?
Y-yes!
OHH, I KNOW!
GO AND BRING IT BACK WITH YOU, BOY!





I don't think that's it. It's probably not something she's used to playing with.
Were we wrong?
That's not it!
Perhaps she doesn't like the appearance?
.....
Let's go flower picking.

hop

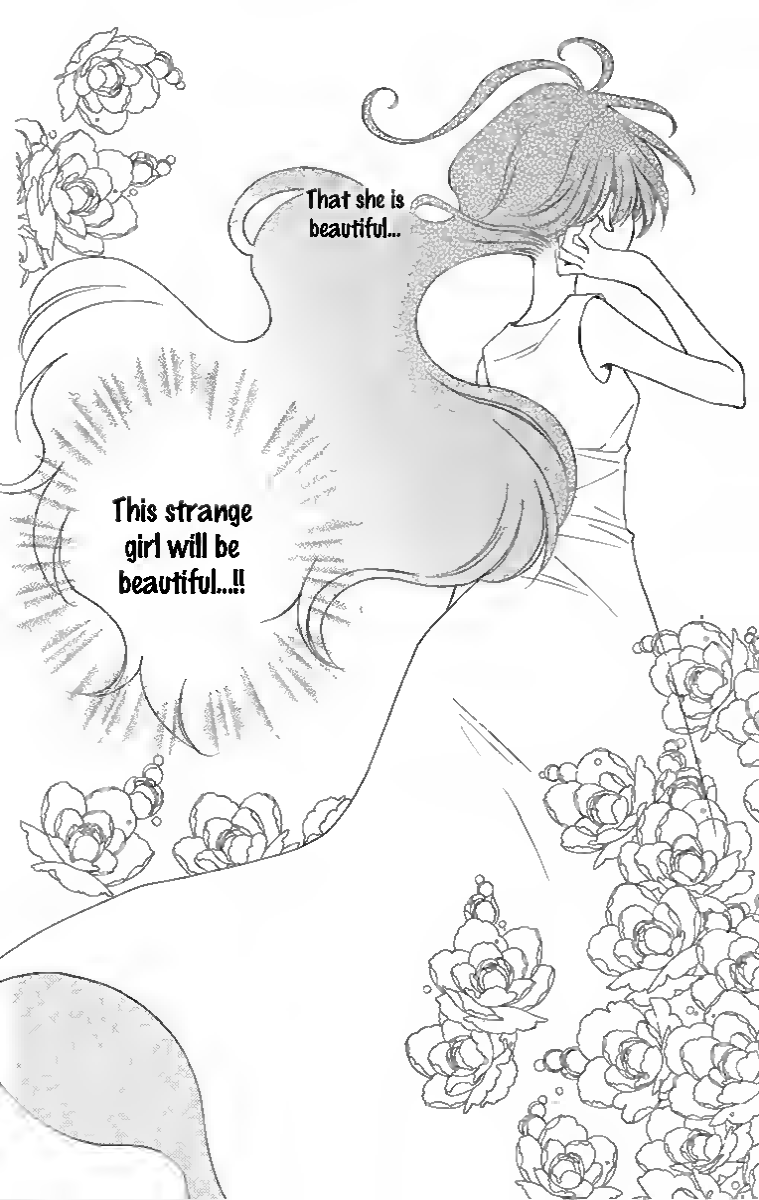
emerge
Whoa! What is it with you?
That surprised me.
Don't stay over there spying. Come play with us!
...Hmph.
splash

...We don't know. .what the people in the village and my mother would say if they found that it suddenly healed, right?
You might be put in danger again, so we'll hide it for now.
?
Sorry, Asahi.
nod

It's like you're going to get kidnapped by the water god.
That's not it.
I'm frustrated...
I'm scared.
Please don't go.
I'll get strong
so that I can protect you.
... creak

Mother...
M...
So you survived, huh.
.....
That's right
Letting her live is the will of the gods..!
grind

How can this be...?
I should have gotten rid of her without the trial after all...!
My precious Subaru
is being charmed by this girl.
The gods' will?
These events have nothing to do with that anymore.
Almost transparent white skin...
Other people probably exist who look this frightening. Fear of her appearance is simply fear of the unknown.
However, they will soon become aware of it...
Eyes whose origin no one knows.
A strange hair color that's never been seen before.



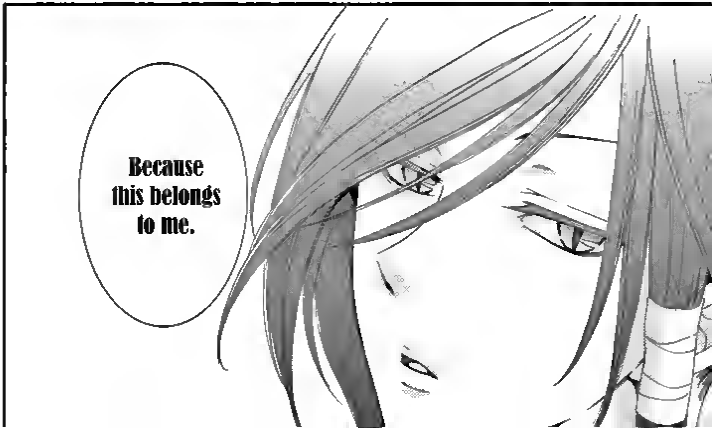
That she is beautiful...
This strange girl will be beautiful...!!

Get out.
I must keep him away...
Mother!
I'm saying that she can't stay at our house.
Even if the water god returned her, she's already his wife.
She should build a house near the lake and live there while dedicating prayers to the god.
What are you saying ...!?
How do you suggest Asahi live by herself!?
...That girl is the water god's bride.
She has the divine protection of the water god, doesn't she?

Then I'm leaving
With Asahi!!
slap
Enough already!! You are a son of mine, of this house.
I am not letting you get involved with this girl more than you have already.

GO.
Now, hurry. Leave...
Mother...
Then...

I'll be taking her with me.



Because this belongs to me.

Wh... who are you...?
It's rude to...
Wait...er... God...
!
Asahi!
Subaru...!
Subaru...

clutch

Asahi...!
...I was reluctant to disguise myself as a human, but as I thought,
I can't hide the majesty of a god, huh.
How is it? My...

I'm scared,

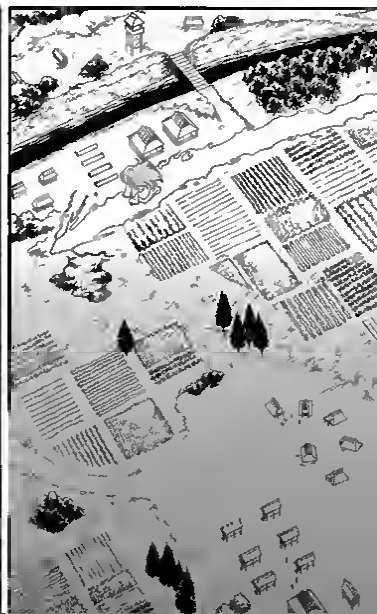
S-sorry... but it's an order.

D-do it! Kill her off!
B... but you know...
If we anger the water god...
She's a girl he returned! He didn't like her.
tch
I-if a flood happens...
Unless we kill her, either way we'll be killed by that person...!

W-
WHERE'D
SHE GO?
WHA-?!



...Now then.
Let me brush away
the bugs that stick to you.

It's the wrath of the God!
My house The village is !
Dear_!

This world's blessings and calamities are simply natural occurrances.

This is only the first time I've done what they believed.

I haven't done anything until now.

Why do they think that gods will move for the sake of humans?
Why do they think that things people can't do are duties assigned to gods?
Why are they convinced that the things they themselves can't even do are doable by others?
Why do they desire things?
Why do they desire more?
Are gods beings that move like human beings wish?
They say that if they anger a god, a catastrophe will occur.
Why do they anger such a god they believe in?

Ahh...
I see.
When they worship gods,
they want gods to do what they wish for them to do.
How insolent.
No, I knew that they were such living things.
However... This is... That's right. This is anger.

Ha... haha haha ha!
Oh foolish beings.
It would be nice if you were to drown
Sure, I'll swing my power around while I'm angry.
That's the kind of god you created, after all!
in your selfish desires.
